

DEPARTMENT OF EAST ASIAN LANGUAGES & CULTURES

AT COLUMBIA UNIVERSITY

EALAC SUMMER 2025

CHNS UN1105S

First-Year Chinese I

This course aims to introduce students with little background in Chinese to the language and cultivate their basic communicative competence in Mandarin Chinese.

CHNS UN1106S

First-Year Chinese II

In this course students will continue to develop basic communicative competence in Chinese and cultivate inter-cultural communication awareness.

CHNS UN2205S

Second-Year Chinese I

This course will help students consolidate and develop language skills used in everyday communication. It will enable students to conduct everyday tasks.

CHNS UN2206S

Second-Year Chinese II

This course will also help students consolidate and develop everyday communicative skills in Chinese, as well as introducing aspects of Chinese culture such as the social norms of politeness and gift-giving.

CHNS UN3305S

Third-Year Chinese I

This course will enhance your Chinese language skills through formal writing, presentations, and discussions, while gaining deeper insights into Chinese culture, contemporary issues, and traditions.
